

## Minister Frank Bernard Luke

Minister Frank Bernard Luke is deeply committed to his calling, faithfully serving the Lord and Savior, Jesus Christ. With over 25 years of Christian ministry, he has devoted much of his life to serving the body of Christ, particularly as an Associate Minister at New Life Church in Decatur, GA, where Pastor Marlin D. Harris serves as Senior Pastor. Minister Luke's journey in ministry began at a young age, initially serving as a Bible study instructor for the deacons. His role expanded over the years to include ministering to congregants, counseling individuals, couples, and families, leading the Teen Ministry, overseeing Small Groups, and teaching Bible studies.

As the founder of Frank Luke Ministries and Men Leading From Their Knees (MLFTK), a men's ministry focused on prayer, fellowship, outreach, and bonding, Minister Luke continues to lead with a passion for men's spiritual growth. Ordained in August 2014 by a council of pastors, he has also earned certificates from professional organizations such as the American Association of Christian Counselors (AACC) and Beulah Heights Bible College in Contemporary Theology, along with specialized training in Teacher Leadership and Ministers in Training from New Life Church.

Minister Luke's influence extends far beyond the church walls. Known for his transparency, candor, and ability to communicate profound truths in simple ways, he reaches both churched and unchurched audiences alike. His ministry is global—having traveled the world, serving as a personal barber and stylist to many celebrities while also sharing the gospel. Minister Luke is also a published author, with works such as *Life Is Not All Good, It's All God... Your Purpose Is Greater Than Your Pain* and the children's book *He Is Me*.

A native of Atlanta, Minister Luke is the proud father of Aric Bernard Flemming, Nia Luke, Zion Luke, and Amara Luke.
